**To:** Senior High Students and Parents  
**From:** Wayne Aman, High School Principal  
**Subject:** Regents Week and Midterm Schedule  
**Date:** January 13, 2012

Below is the Regents Exam and midterm exam schedule for students in grades 9 through 12. Students are expected to be in attendance for all of their scheduled exams. BOCES students will attend their regularly scheduled BOCES class unless they have a regents/midterm exam.

In order to provide an appropriate testing environment for all students we will require the following:

Students who are not scheduled for an exam on any given day should not attend school.

Students are to report to the cafeteria when they are not testing. They will not be allowed to leave school grounds between tests unless they have parental permission. Students should give their signed permission slip to Mrs. Quick upon arrival to school.

When students have completed their exam(s) for the day, they should either drive home or ride the bus home.

Transportation for high school students will be provided at the following times:

Students may ride *to* school on their regular morning bus run to take morning exams or on the 11:00 bus run to take afternoon exams. Transportation *home* will be provided at 12:00 noon and at 3:15 p.m. *If a student does not have a morning exam, please do not send them in on the morning bus run.*

**Should there be a snow day during midterms**, local exams scheduled for the missed test date will be made up on Monday, January 30<sup>th</sup>. The new marking period schedule would subsequently be moved to Tuesday, January 31<sup>st</sup>. *There will be no make-up date for Regents Exams.*

If you have any questions regarding midterm exam week, please feel free to call me at 659-5020 or Mr. Banks in the guidance office at 659-3195.
