

2014-2015 Physical Education Grading Policy

I. Marking Period Grade – At the end of each marking period the student’s grade will be calculated as follows:

- 80% based on daily class participation
- 20% test/quiz average and skills assessment

II. The student **MUST** be changed into appropriate **PE attire**, and wearing **Sneakers** for each physical education class, in order to participate and be graded for the day. Appropriate PE attire is: shorts, t shirts, sweats, sweatshirts, that meet the school dress code policy. Sneakers are: A flat rubber soled shoe made of flexible material, that laces or velcro’s to ensure safety, made for sports or exercising. Slip-on shoes are not allowed (see number 2 on the reverse for *some* examples of unacceptable shoes – this is not an exhausted list). Physical Education teacher has the final discretion of what an acceptable sneaker is.

III. Daily participation is calculated as an average of the rubric scores for the below area:

Points	<i>Daily Assessment</i>
4	Student is <i>self</i> motivated, shows <i>good</i> techniques in class activities, works to <i>enhance</i> fitness level, assists others and <i>shows concern</i> for peers.
3	Student needs <i>little</i> encouragement, shows <i>good</i> techniques in class activities, works to <i>maintain</i> fitness level, <i>shows cooperation</i> with peers.
2	Student needs <i>extensive</i> encouragement, needs <i>assistance</i> in executing class activity techniques, <i>minimum</i> work to maintain fitness level, shows <i>minimal</i> cooperation with peers, needs <i>teacher supervision</i> to follow class routine.
1	Student needs <i>constant</i> encouragement, <i>little</i> attempt to execute classroom activities, <i>no attempt</i> to maintain or enhance fitness level, <i>non cooperative</i> with peers.
0	Student <i>refuses</i> to participate, is <i>not</i> wearing sneakers, or is <i>absent</i> from class (legal absences can be made up – see below, and unprepared not wearing sneakers can be partially made up – see below).

IV. Class make ups:

1. Students can make up unlimited number of legal excuses (music lesson, medical appointments, field trips, class meetings, guidance appointments, sporting events, funeral, vacation, etc). Make up classes will be offered **Wednesday’s from 2:30pm to 2:55pm**. All students must be prepared to begin class by 2:30. Late arrivals will not be permitted. All missed classes must be made up within one week of the absence. Missed classes cannot be made up beyond the end of a marking period.
2. If a student refuses to participate they will be sent to ISR and receive zero credit for said class.
3. If a student does not change into PE appropriate attire but is wearing sneakers, they may participate in class but will earn a maximum of 3 points for the day.
4. If a student does not have appropriate sneakers, they will report to the library and do written work. If they complete the written work during that class period, they can earn a maximum of 2 points. Only 4 of these classes can be made up each marking period.
5. Illegal absences, such as being truant from class or school or getting sent to ISR/office, cannot be made up and the student will get a zero for the day.
6. If a student is in school and too sick to participate in PE, they will report to the nurses’ office and make up the class per guidelines in item #1.
7. Medical excuses diagnosed by a physician (less than 5 class periods), the student will complete the Candor PE Current Events Article Critique. The student will receive full credit for the PE class period missed upon completing the article critique, during that class period, in the library. At the start of each class, the student will first report to their PE teacher for attendance and a pass.

8. Medical excuses for long term absences (over five (5) class periods), the student will be required to choose a sports/athletic book from the library approved by his or her PE teacher, and complete a daily reading log. This reading and reading log will be completed during the student's regular PE class time, in the library. Upon completion of the book, the student must complete the Candor PE book critique document. The student will then receive full credit for all missed classes. The reading log and book critique must be turned in by the end of each marking period. At the start of each class, the student will first report to their PE teacher for attendance and a pass.
9. All of the above make up assignments can be found at www.candor.org under teacher web pages, High School PE.

V. Additional Physical Education Class Policies and Procedures:

1. ANY STUDENT PARTICIPATING IN AN ATHLETIC EXTRACURRICULAR ACTIVITY MUST PARTICIPATE IN PHYSICAL EDUCATION CLASS OR HE/SHE CAN NOT PARTICIPATE IN SAID ACTIVITIES THAT DAY.

2. Appropriate attire for class includes: sneakers (no boots, flip flops, clogs, mules, slippers, UGG type boots, boat shoes, deck shoes, any high heeled shoe etc), shorts, sweat pants, t-shirts, sweat shirts etc. that meet school dress code policies. Multiple physical education classes will be held outside during the school year, so please dress accordingly.

3. Lockers: Each student will be assigned a lock and a locker at the beginning of the year and will be responsible to return the lock at the end of the school year or he/she will be charged a \$5 fine to replace the lock. Please do not share locks or lockers. **Be sure to always LOCK** everything in the locker or give valuables to the physical education teacher. We are NOT responsible for lost or stolen items.

4. Medical excuses must be turned into the school nurse.

5. Report all accidents immediately to the physical education teacher that day.

6. We put safety first: Please wait for instruction on any activity before beginning an activity. Equipment is likely to be out in the gymnasium before the start of the class. Leave this equipment alone until the teacher instructs otherwise.

7. NO gum or dangling jewelry. Gum can be a safety hazard and can also ruin equipment. Long necklace can be a choking hazard and big earrings can get ripped out.

8. It is the student's responsibility to ask the physical education teacher how many absences he/she has that need to be or can be made up each marking period.

VI. We have read the policies regarding physical education at Candor Central Junior Senior High School and understand its content. We are aware of the grading policy for all students.
