Go to ONE of the following websites: [well.blogs.nytimes.com](http://well.blogs.nytimes.com), [cnn.com](http://cnn.com) (choose “health” tab), or [health.com](http://health.com) (choose “diet and fitness” tab).

Locate one current events article that was published recently that relates to physical education, health, wellness, sports or nutrition. The article must be at least one full page in length. Choose something that interests you (sports headlines and highlights, local or professional athletes, healthy eating habits, diets, new fitness techniques, outdoor recreational activities and facilities, etc.). When you are finished, please hand it in to the librarian by the end of the period today.

1. Why did you choose this article? Why did it interest you?

2. List 2 reasons why this article relates to physical education. Be specific and provide at least 3 sentences with detailed information explaining each reason.

a.

1.

2.

3.

b.

1.

2.

3.

3. How could you utilize the information you learned in this article in your everyday life?
